"Strive for 5!"

Friday, September 29th School dismisses at 11:30

Grand Homecoming 7:45 AM- 9:30AM

K Teddy Bear Picnic- 8:30-9:30

Our next myOn competition began September 19th and runs through October 16th. Let's see who is up to doing a little reading over fall break. We will have \$25.00 for the person who reads the most books and the person who shows the largest gain in his/her lexile level. Let the reading begin! ☺

So to experience success with myOn, please do not log in to myOn using the myOn app. This creates all types of syncing issues. Log in to myOn through clever by going to <https://clever.com/in/dickson>. After students log in to clever using a number they all know, they can access myOn. All 1st through 5th graders have the same 7 digit # is the username and password for Clever. We call it their Clever number or MobyMax number. It is the Other ID# found in their Skyward account.

Today your child will be bringing home a big envelope with all the info you need about our Halloween Hustle. Our goal this year is \$15,000 and will be used to purchase additional technology to enable ALL of our students to use Achieve 3000, iReady, Moby Max, AR, and other self-paced, self-directed learning programs. Pledge sheets and monies may be returned daily this year because a special bird will be walking through the building delivering daily prizes for students who bring in the most money. In November, a cash prize will be given to the top three students who turned in the most money. Our Halloween Hustle will take place on Tuesday, October 31 at 12:30. We'd love you to come join us.

Thank you for your help and cooperation during this first nine week block. I hope your family enjoys a happy and healthy fall break.

Playground update- We have submitted our request to maintenance to approve our order of a 4 bay swing and a tilted skyrider! Final bids addressing our playground drainage issue and sloping issue are being submitted to our maintenance department.
