*"Strive for 5!"*

We had a lovely Veteran's Day assembly last Friday. We were honored to salute the Veterans in our TDS family. I was so proud of the program presented by our third, fourth, and fifth grade students.

Each year, the state collects data on our school. The information from this survey helps our faculty and staff to reflect on our school climate. Please take a few minutes and log into <http://thediscoveryschoolparentsurvey.questionpro.com/> and complete the survey for us. I appreciate your time and comments and would love to have 100% participation! As of Friday, we have had 15 parents complete the survey.

**I would like to challenge everyone to make it to school on time between now and Thanksgiving break. Every class that has 100% on time arrival, will win free ice cream on Tuesday, November 21<sup>st</sup>. Please help your child help his/her classmates!**

Next week we will only attend school on Monday, November 20<sup>th</sup> and Tuesday, November 21<sup>st</sup>. Please remember our Thanksgiving holidays are Wednesday, November 22<sup>nd</sup>, Thursday, November 23<sup>rd</sup>, and Friday, November 24<sup>th</sup>. We will look for everyone to return to school on Monday, November 27<sup>th</sup>.

Our class pictures will be made this Thursday, November 16<sup>th</sup>. Students must wear uniforms. We will also make departing class picture for our fifth grade students. If your child was absent September 25<sup>th</sup>, you will receive a notice to have an individual picture taken.

This Friday will be another spirit day organized by our student council. This Friday, November 17<sup>th</sup> will be sunglasses day! Students may wear sunglasses to school.
