"Strive for 5!"

I'M STILL PLEADING.....

Each year, the state collects data on our school. The information from this survey helps our faculty and staff to reflect on our school climate. Please take a few minutes and log on to <http://thediscoveryschoolparentsurvey.questionpro.com/> and complete the survey for us. I appreciate your time and comments and would love to have 100% participation! It takes 10-15 minutes to complete the survey. **To date, we have only had 41 parents complete the survey. That is two more parents than last week.** I really need your help and am interested in what everyone has to say. The survey is anonymous.

Friday, December 15th, is our last day. It is a half day and we will dismiss at 11:30. All students may wear an ugly Christmas sweater on Friday. Kindergarten children are going to make their snow houses. We will have caroling in morning assembly. We have a special morning planned, so please make attendance a priority.

Our daycare will close at 6:00PM on Friday, December 15th. Centennial Elementary and Stuart Burns Elementary will be the two daycare options for winter break.

Over our Christmas break, should you hear the words "I'm bored", please encourage your child to log on to any of our online programs that provide them with opportunities to read.

We are half way through another school year and I want to thank you for your part in making The Discovery School a great place to spend the day. In the new year, I encourage you to continue to *Strive for 5* so that your child will benefit from the strong instruction we offer every day. I also would appreciate everyone continuing to work on arriving to school on time.

As we approach January and the possibility of winter weather, please remember the decision to close schools is not made in this building. Be sure we have your current cell phone number in our In Touch system so that you can be updated when the decisions are made.

"Maybe Christmas, the Grinch thought, doesn't come from a store."

Dr. Seuss

I hope your holidays are happy and healthy. Enjoy making memories!
