"Strive for 5!"

I may step on some toes, but I need to talk about 2 things:

#1. Each year, the state collects data on our school. The information from this survey helps our faculty and staff to reflect on our school climate. Please take a few minutes and log on to <http://thediscoveryschoolparentsurvey.questionpro.com/> and complete the survey for us. I appreciate your time and comments and would love to have 100% participation! It takes 10-15 minutes to complete the survey. **To date, we have only had 39 parents complete the survey.** I really need your help and am interested in what everyone has to say. The survey is anonymous.

#2. Prior to Thanksgiving, we had a contest to offer free ice cream for every classroom who went from November 7th -November 21st with no tardies. (11 days) We have a total of 12 classrooms and we had **3** classrooms earn free ice cream last Tuesday. So, we had 25% of our classrooms with no tardies for 11 days. Parents, I believe we can do better than this. Arriving to school on time is as important as arriving to work on time. Please help us with this issue. The tardy bell rings at 7:55. Plan to drop your child no later than 7:45. Children need time to get to their classroom and transition into beginning their day. Our classrooms hit the ground running!
